

Objective 1: Systemic Sustainability

1.1 Curriculum & Instruction: Environmental Issue Instruction

Title of Lesson/Activity: Protest Environmental Abuse

Date: (Month & Year) Dec 2016

Teacher Name: Mrs Feldman

Grade: 11

Brief Description of Lesson/Activity: Include a few sentences describing the activity. Each activity should include at least one piece of labeled documentation. Photo documentation is strongly encouraged.

The Journalism class selected a theme of Protest Environmental Abuse for December issue. There are articles on the Standing Rock Sioux protests, new vehicles that don't use fossil fuel, climate change, protests against Transfer Energy company's water abuses, and more. The entire issue is visible at www.labtennews.com and separate Problem-Solving lessons contributed to the comprehension and application of content.

Brenna M's investigation of Standing

Rock and Energy transfer Partners.
