Dear Patti Child (Baltimore Lab School),

On behalf of The Adventure Park At Sandy Spring Friends School, I would like to personally invite you to the 2012 Adventure Park Spring Open House (See Open House attachment). Come on out and climb in the largest forest ropes course in North America and meet our staff. I hope that you can join us on at our Open House. Please RSVP if you can attend.

Also, attached are the 2012 AIMS Schools Discounted Field Trip and Summer Camp 2012 pricing.

Thank you

Sincerely,
