WMI WILDERNESS FIRST AID

Sponsored by the Wilderness Medicine Institute of NOLS and REI Baileys Crossroads, Virginia

DATES: September 8th and 9th, 2012**COST:** \ \$200.00 (REI member) \ \$220.00 (non-member)**LOCATION:** Baileys Crossroads REI**COURSE DESCRIPTION**

Fast paced and hands-on, this two day course covers a wide range of wilderness medicine topics for people who travel in the outdoors. Whether spending time in the backcountry is your passion or your profession, you should never have to ask, "What do I do now?" On this course, you'll learn

how to prepare for the unexpected. WMI's curriculum is unique and includes many advanced topics that other programs leave out such as dislocation reduction, focused spinal assessment and epinephrine administration. In just two days, you'll have the knowledge, skills and ability to make sound decisions in emergency situations. This course is ideal for trip leaders, camp staff, outdoor enthusiasts and individuals in remote locations. WMI's course is pre-approved by such organizations as the American Camping Association, the United States Forest Service, and other governmental agencies. This course does not include CPR.

FOR THOSE SEEKING WILDERNESS FIRST RESPONDER (WFR) RE-CERTIFICATION

If you hold a current Wilderness First Responder certification from WMI, SOLO, or WMA, you will receive a WMI WFR certification upon successful completion of your WFA. Please bring a copy of your current certification if other than WMI. If you hold a current WFR certification from any other wilderness medicine organization you will receive a letter of course completion in lieu of a WMI WFR certification. This letter of completion may allow you to recertify with your original certifying organization. You must contact that organization prior to your WMI course to ensure that our course will meet their requirements for recertification.

WFR RECERTIFICATION REQUIREMENTS

Participants using the WFA course to recertify their WFR will be required to pass both a written and a practical test on day 2 of the course. Check the following web page for information and resources on how to best prepare for your course. <http://www.nols.edu/wmi/about/faq.shtml#prepare>

All students seeking Wilderness First Responder Re-Certification are required to submit a photocopy of their WFR certification card on the first day of the course. There is a one-year grace period for recertification of WMI cards (Please keep in mind that your certification is not current during this grace period and will not be viewed as a valid Wilderness First Responder certification once the grace period has begun.)

REGISTRATION/POLICIES FOR ALL STUDENTS

Tuition payment in full is required to reserve your spot in the course. Tuition is non-transferable. Tuition is payable by check (with driver's license number), Visa/MasterCard or cash. The tuition fee covers textbooks, syllabus, equipment, and certification cards. A full refund will be given if we are forced to cancel the course for any reason.

CANCELLATION AND REFUND POLICY

You may cancel your registration for a paid class up to 24 hours before the class/event. Since cancellation requires speaking by telephone to an REI Customer Service Representative at 703-379-9400, the effective cancellation deadline for this class is 8:00 PM, Thursday, September 6, 2012. Refunds for this class will not be issued for cancellations after that time.

Event cancellations on the part of REI will be refunded in full, regardless of timeframe.

Please note that inclement weather does not necessarily cancel an event, and you will be contacted by REI in the event of a cancellation.

If you need to cancel, please call REI Bailey's Crossroads at (703) 379-9400 and speak to one of our Customer Service Specialists prior to 8:00 PM EDT, Thursday, September 6, 2012.

WMI STUDENT AGREEMENT

Please download this agreement from http://www.nols.edu/wmi/pdf/wmi_agreement.pdf and read it very carefully as it affects your legal rights. Bring the two-page signed document to the first day of the course. If you are a minor, a parent or guardian must sign the document. Failure to provide a signed document will result in you not being able to participate in the course. WMI participants, including minors, will have unsupervised free time throughout the course. Any activities during the free time are not part of

the WMI program and are at the sole risk of the participant.

CLASS FORMAT/ EQUIPMENT

Check in is at 8:45 AM on the first day of the course. Course days run from 9:00am – 6:00pm. The format for the WFA/WFR Recert is classroom lectures integrated with practical scenarios. Scenarios, and practice sessions will take place both inside and outside. Please bring outdoor clothing appropriate for laying on the potentially wet, muddy or snowy, cold ground playing the role of both rescuer and patient. Frequently stage (moulage) blood and make-up will be used to emphasize the reality of a scenario. Generally the classroom environment lends itself to a pair of comfy shoes/slippers and a Crazy Creek-type chair. Please come equipped with a light day pack, waterproof top and bottom, light hiking boots, and layers well suited for spending time outside playing the role of patient and rescuer.
