Hello there,

Here is a list of roles we use for presenting our meals:

1. Menu Announcer - could be a chef's hat or crown, etc.
2. Portion Control - could be a pirate hat or police hat (Portion Police or Portion Pirate)
3. Darth Vader Investigator - reads the first three ingredients in an item and tells the group where the item traveled from/was manufactured.
4. SLOP Cop (Stuff Left On Plate) - warns the group of SLOP hazards and provides a helpful hint on how to reduce SLOP
5. Green Guy - Reads the group an eco-friendly tip or fact about energy or water conservation
6. Peaceful Reader - Reads an environmental or inspiring poem to bring us peace before the meal

And the official Karen Noonan EE Center address is 1304 Phillips Gunning Club Rd. Crocheron, MD 21627.

We would LOVE to have a copy of BLS's Island Journal for our "Be a Bay Bookworm" shelf and will happily pass a copy along to Karen's parents; we'll make absolutely sure that they receive one as I'm sure it would mean a lot to them.

Looking forward to flipping through it!

Megan Fink  
Islands Senior Program Manager

**Subject:** Job descriptions

Hey,

We are planning an interactive lesson on our Island Experience with parents and need the list of jobs the kids had while on the meal crews. Can you please send me the list?

Students created and published an Island Journal after the trip which we would like to send to you and to Karen Noonan's parents. Where should we send the journals?

Thanks for all of your kind words.

Have a nice Bay!  
Patti Child

Outdoor Education Coordinator for the Baltimore Lab School  
Master Watershed Steward
