Approved,  11-3-17

Dear Gwen,

I request that Baltimore Lab School purchase a school membership to Maryland Association of Environmental Outdoor Educators.

Organization (Blue Crab Level)- \$150 or 2yr = \$275

- Member discount for up to 5 staff to the MAEOE Annual Conferences
- Professional Development opportunities including workshops
- Recognition as a supporter of a nationally recognized environmental education association. Support services and resources for environmental education
- Networking with the environmental education community at MAEOE events and online with Facebook and the MAEOE Blog

About Membership:

Renewal is rotating, one year from initial and subsequent memberships. Or at the end of the second year if you purchase a two year membership. Letters reminding members of their membership term will go out to members one month prior to the end of their term.

"MAEOE members include a wide variety of people working in (or interested in) environmental education and related fields. MAEOE members include environmental professionals, classroom teachers, naturalists, environmental educators, outdoor center staff and many others who have an interest in working with children, young people and adults in environmental education. We are an inclusive organization which supports diverse communities."

Sincerely,  
Patti Child
