Notes:

Students will be in small groups with a teacher. Each group will be on their own to explore and participate in activities.

Meet ups will be:

1. **9:45 am!** As soon as we get there.
- **10:00am -11:00am** Award Ceremony at the Yellow Perch Pavilion (Award Ceremony C). BLS is scheduled for the 10:00am -11:00am Award Ceremony at the Yellow Perch Pavilion (Award Ceremony C).

- Ms. Huggin's Environmental Science students and Ms. Feldman's green school application students will hopefully be in seats. The rest of our group should gather around the tent. When BLS is announced, Henry D. and Lee W will go up to the stage to accept your school's awards. All other guests are encouraged to cheer but remain with their group. Following the ceremony, Maryland Green School Flags will be set up by the Main Bathhouse for group photos.
- 2. **Lunch:** On your own with your small group when you are hungry.
- 3. I would also like to invite you and your students to come by the **Youth Summit's Service Project** - this year we are planting grasses to help stabilize the beach - **Dig In! Help keep the sand at Sandy Point!** We will be down on the beach near the Flounder Pavilion. You and your students can stop by for 10-15 minutes and plant some native grasses with DNR staff.
- 4. **1:45 pm.** Meet up back at the Yellow Perch Pavilion to get ready to board the bus and go home.

Please note:

- When you arrive at Sandy Point State Park go to the East Beach Area. Your bus will be greeted by a volunteer who will give you a program (with the most up-to-date map, schedule, and list of activities), check you in, and give you additional instructions. Afterward, buses can park at the Boat Launch Parking area.
- Dress for the weather. A hat, sunscreen, and jacket/raincoat are recommended. The Youth Summit is an outdoor, rain or shine event.
- All participants must bring a water bottle (water refill stations will be available) and lunches and/or snacks. There are no food concessions at or nearby the Youth Summit. Sandy Point State Park is 'trash free', so all visitors are asked to reduce their waste and take their trash home with them.
- **Activity: Tie-dye a T-shirt**—Participants are encouraged to bring a white T-shirt to tie-dye at the Youth Summit and a plastic bag to take their shirt home in. A limited number of white T-shirts will be for sale.
- Mementos for sale at the Welcome/Registration table: Adult sized MAEOE T-shirts (\$15), water bottles (\$3), Frisbees (\$3), hats (\$15), bandanas (\$3), MAEOE stickers (\$1-\$2), Green School Flags (\$40, for previously certified MD Green Schools only) and more.
