

CYLBURN ARBORETUM

Pat Sherman forwarded your message about a professional development day for the Lab School staff.
Thanks for your inquiry.

June 1, 2016

Begin in classroom with an Introduction to Clyburn by Executive Director Patricia Foster.

Your tour with Laura Genello for that many people will take at least a half-hour, divide into groups. (3)

I am happy to offer your group a tour of the gardens.

We will have our Master Naturalist guide a ½ hour hike.

Baltimore Lab Staff will offer

Not sure how you will fit in the picnic and the activities. Maybe you could rethink what your intentions are for the staff.

I am available to discuss with you next week, since we have some time before the event.

Best,

patricia
